Compliance You Can Defend. Convenience You Can Count On.

Manufacturer-trained and certified to perform saliva
drug testing that is legally defensible

SecureMobile Oral Drug Screen, LLC

Mobile Oral Drug Screening Administrator (MODSA)

Certified, Compliant

A certified MODSA performs professional on-site collection with complete digital chain-of-custody documentation proving every sample was handled by the book

Comprehensive, Convenient Testing

We come to you, on your schedule, for pre-employment, random, post-incident, reasonable-suspicion, and return-to-duty testing

One Simple, All-Inclusive Service

Collection, lab confirmation, MRO review, reporting + random program management all handled end-to-end for one customized price

A Defensible & Compliant Program, Simplified

- ✓ **True unpredictability** - eliminates tampering
- ✓ **Detects recent use** - identify parent drugs
- ✓ **Comprehensive** - from selection, collection & chain of custody to lab confirmation & MRO review
- ✓ **Flexible** - works across multiple shifts, job sites, or locations. NO clinic juggling. NO waiting.
- ✓ **More employee comfort** - non-invasive collection anywhere. NO bathroom shutdown or observation!

One reliable partner for your entire testing program → on-site, on your schedule, including evenings and after-hours. Stay compliant without ever pausing operations.
